GUILDHALL GRADUATES ACTING WORKSHOP (14-18 YRS)

BY RECENTLY GRADUATED ACTORS (LONDON, UK)

Now in its fourth year, STET's hugely popular acting workshop will give your students a rare opportunity to work with graduates from London's Guildhall School of Music and Drama. This stimulating programme offers students a "centre-stage" role in the company of professional actors. Your secondary school or drama class will experience elements of the professional actors' "toolkit", such as warm-up techniques, trust exercises, breathing practices and preparation of voice. This is a chance for aspiring performers to ask the questions they always wanted to ask and to glimpse the range of skills that actors need to prepare for roles.

CHOOSE FROM THE FOLLOWING WORKSHOPS

(a combination of workshops is possible)

GENERAL ACTING WORKSHOP (14+)

After a short introduction, the students will work on drama techniques and language skills in small groups. Our actors will work on specific exercises to make students aware of their physicality and give them a real experience of working individually and as an ensemble. They will get first-hand experience of techniques employed by professionals, such as controlling breath, projecting the voice, and trusting your fellow performers...

DRAMA SCHOOL PREPARATION WORKSHOP (16+)

After a short introduction, our young graduates will give useful tips for future actors. They will share their first-hand experiences on how to get in to drama school, what to take into account and how life is during and after training. This is an invaluable opportunity to talk to people who really know what it takes to be an actor.

TUTORIAL SESSIONS (16+)

Students intending to apply for drama school can bring prepared pieces or get tailored help and advice in an individual session.

These sessions can only be booked with another workshop above.

(15-30 min sessions/student, 25 euros per person)

MORE ABOUT THE GUILDHALL GRADUATES PROGRAMME

STET is proud of its relationship with *Guildhall School of Music and Drama*, one of the top drama schools in the UK. Guildhall alumni include Daniel Craig, Ewan McGregor, Jodie Whitaker, Joseph Fiennes...

Since 2010 STET's production team has visited the Guildhall to choose 2-5 performers from their acting programme. These graduates are invited to The Netherlands to perform their sometimes daring, sometimes experimental, but always freshly written new work. In 2016 Parktheater joined forces with STET and invited the graduates to perform in Eindhoven, with equal success. Many of our audience rate the annual Guildhall Graduates series their favourite STET event of the year!

WHO WILL COME THIS SEPTEMBER?

STET's production team is in the process of selecting this year's graduates. Whoever they may be, they are always highly trained, open-minded and very talented young professionals eager to start their career.
